PURCHASE ORDER TERMS AND CONDITIONS

- 1. Definitions:** The term “Articles” means goods, material, equipment, products, technical data, intellectual property, drawings, or services identified in the Purchase Order.
- 2. Seller’s Acceptance:** The Purchase Order constitutes Delta’s offer to Seller. Acceptance of this offer by the Seller is expressly limited to the terms and conditions set forth herein. In the event that the invoice from the Seller contains terms and conditions that are additional to or different from those set forth herein, this offer shall be deemed a notice of objection to and a rejection of such additional or different terms and conditions. Delta accepts Seller’s Articles only on the condition that Seller expressly assents to the terms and conditions contained of this Purchase Order. The delivery of any Articles shall constitute a full acceptance by the Seller of the Purchase Order.
- 3. Price and Payment:** Delta shall not be invoiced at a price higher than that stated on the face of this Purchase Order (“Price”), which shall be binding on Seller for 12 months. If the Purchase Order is not priced, Seller shall not charge a higher price than last quoted or charged to Delta. Seller warrants that the Price is the lowest charged by Seller for the Articles to any customer and that any reduction made by Seller in the price of Articles covered by this Purchase Order before Delta’s acceptance of the Articles shall be applicable to this Purchase Order. Unless otherwise stated on the face of this Purchase Order, the Price is deemed to include (a) all applicable federal, state and local taxes and (b) the charges for insurance, import dues, packaging, transportation and any other fee or expense relating to the provision of the Articles or services ordered. Payment shall be made within 45 days of Delta’s acceptance of the Articles or Delta’s receipt of Seller’s invoice, whichever is later.
- 4. Quantity:** Unless otherwise specified on the face of this Purchase Order, such order shall be shipped complete. Delta shall not be obligated to accept any shipment of Articles in excess of the quantity specified in this Purchase Order. Any excess quantity will be held at Seller’s risk and expense for a reasonable time awaiting return shipping instructions from Seller. Risk of loss and return shipping damages for any excess shall be borne by Seller.
- 5. Warranty:** Seller warrants that the Articles delivered shall conform to the specifications provided in the Purchase Order, shall include material certifications to the applicable customer standard if appropriate, shall be free from any liens or encumbrances, shall be of new material and good workmanship, merchantable and free from defects, and shall be fit for the purposes intended by Delta. Unless Delta executes and delivers to Seller an express waiver of warranty, Delta and the Seller agree that the implied warranties of merchantability and fitness for a particular purpose and other warranties, express and implied, apply to this transaction and the Articles sold.
- 6. Special Products:** Unless otherwise provided on the face of this Purchase Order, Delta shall become the owner of and be entitled to possession of any drawings, special dies, tools, patterns, tooling, or equipment required for the manufacture of the Articles (the “Special Tooling”), whether or not such Special Tooling is furnished by Seller or Delta. Seller shall be the bailee of the Special Tooling and shall have no ownership interest or otherwise in the Special Tooling. Seller waives any rights, including lien rights, that may arise in connection with the Special Tooling. Upon demand by Delta, Seller shall immediately return all Special Tooling to Delta. Delta shall have access to Seller’s premises for the purpose of retrieving any Special Tooling. The Special Tooling, which is furnished by Seller, shall be at no cost to Delta. Delta, at its option, may reimburse Seller for Seller’s reasonable cost for the Special Tooling.
- 7. Delivery:** Except as Delta may otherwise direct, the Articles shall be delivered complete to Delta in the stated quantity and by the required delivery date. Regardless of F.O.B. point, Seller agrees to bear all the risks of loss, damages, or destruction of the Articles ordered herein which occur prior to acceptance by Delta. No such loss, damage, or destruction shall release Seller from obligations hereunder.
- 8. Packing:** All Articles shall be suitably packaged for shipment to prevent damage.

9. Inspection of Articles: All Articles delivered to Delta are subject to inspection and acceptance or rejection by Delta within a reasonable time, notwithstanding any prior payment of the Price. Any Articles that are rejected or for which Delta revokes its acceptance may be held at Seller’s risk and expense and may be returned and charged back to Seller at its own expense. For any Articles that are rejected or for which acceptance is revoked, the quantity under the Purchase Order shall be automatically reduced, and no substitution or replacement shall be made unless authorized in writing by Delta.

10. Changes: At any time prior to delivery, Delta, in its sole and unfettered discretion, may increase or decrease the ordered quantity of Articles or make any other change in the Purchase Order, whether in whole or in part, by providing written notice to Seller. If any such change causes an increase or decrease in the cost or time required to perform this Purchase Order, an equitable adjustment shall be made and this Purchase Order shall be modified in writing accordingly. Seller shall be deemed to have waived any claim for adjustment unless asserted in writing within 10 days from the date of Delta’s written notice of change.

11. Setoff: Delta shall be entitled at all times to deduct from the amount due the Seller under this Purchase Order, either damages for any breach of this Purchase Order or amounts otherwise due Delta from Seller, irrespective of whether or not deduction is related to the Articles or services covered by this Purchase Order.

12. Breach: The failure of Seller to perform any provision of this Purchase Order required to be performed by Seller including, but not limited to, a breach of the warranty provided in this Purchase Order, shall be a Breach of this agreement.

Upon termination, Delta shall have no obligations hereunder except to the extent provided in this paragraph 13. If this Purchase Order is terminated without a Breach by Seller, Seller shall be entitled to, as its sole and exclusive remedy, reimbursement of Seller’s reasonable cost incurred in the performance of this Purchase Order prior to the effective date of termination, provided that such reimbursement shall not exceed the Price. If this Purchase Order is terminated by Delta for Seller’s Breach, Seller shall not be entitled to any reimbursement, and Delta may pursue any and all remedies it may have against Seller under this Purchase Order or at law or in equity.

14. Remedies: Each of the rights and remedies reserved by Delta in this Purchase Order shall be cumulative and additional to any other or further remedies in law or equity.

15. Indemnification and Insurance: Seller shall indemnify, defend and hold harmless Delta and its customers against any “indemnity loss” arising out of, connected with or resulting from the Articles including, without limitation, the selection, delivery, possession, use, operation or return of the Articles. “Indemnity loss” includes, but is not limited to, all claims, actions, suits, proceedings, costs, expenses, damages, liabilities, penalties, fines, actual attorney fees, consequential and incidental damages, and loss, damage, liability or claims arising from injury or death to persons or damage to property. 19. No Modification: Any attempt by the Seller to vary the terms of this offer shall be deemed a material alteration. Such alteration will constitute a rejection of offer and shall not be binding unless the new provisions are accepted in a writing executed by Delta and delivered to the Seller.

20. No Implied Waiver: No covenant or condition of this Purchase Order can be waived except by the written consent of Delta. Forbearance or indulgence by Delta in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by Seller to which the same may apply.
